anthracit grey

SNS27.8.35

 998 g x 2

 45 → 120 kg

 34 → 47

This product has been developed with the AMP Polymix group

PEBAX
BY ARKEMA

It's similarity with other Inook models should not hide main innovations.

- The orange translucent binding plate is made out a high quality material, slightly flexible and very resistant.
- The Pebax® Material provides the possibility of rolling out the foot without constraint. Shoes with soft soles can be used.
- The new ASS heel step adapted to the needs of the new binding plate.
- The special attention offered to the sequined design.
